**Dick L. Au**

## **The Majestic Discus**

***One of the most striking freshwater aquarium fishes.***

The Ottawa Valley Aquarium Society is pleased to present Mr. Dick L. Au. Mr. Au is an active aquarist & Discus enthusiast for over 50 years, he is also an accomplished author and frequent contributor of articles to aquarium magazines, his Discus books **"Back to Nature - Guides to Basics"** and **"Trophy Discus"** are considered the most complete guide to Discus keeping. As if that was not impressive enough Mr. Au is also a veteran speaker and show judge. He just recently did a presentation on Discus keeping at the 2009 Aquarama show in Singapore.

OVAS invites you to come out and learn all the basic knowledge and guidelines for the successful acquisition, maintenance, pair selection and breeding of discus.
